Product Notes

Afternoon aka Hung-Ming Chen and Chen-Yen Wei are powered by an intriguing interest in proportions, materials and cultures. We're proud to feature several of their designs in our Fall 2015 collection and the common thing for all of them is that they share the same qualities of simplicity, inspired by classic Scandinavian features. Besides being really warm and nice people, Hung-Ming Chen and Chen-Yen Wei are two really talented designers. They originate from Taiwan, but work from their studio in Stockholm.
